CALL TRANSCRIPT

[CALLER] Hello? Please help me, my ceiling collapsed!
2026-03-07 21:24:40

[AI OPERATOR] I'm here with you. You're going to be okay. Can you breathe normally right now?
2026-03-07 21:24:40

[CALLER] Yes I can breathe but my leg is stuck under something heavy
2026-03-07 21:24:40

[AI OPERATOR] Good — breathing is the most important thing. Do NOT try to move the debris. Help is already on its way.
